# Schedule Your Daily Homework Time

**Do this worksheet with a parent.**

Write down all scheduled activities (music lessons, sports practices, etc.) and responsibilities (babysitting your brother or sister, doing chores, etc.) for each day of an average week so you can clearly see what time is available for homework. From the time available each day, think about your personal time patterns and write in the best time for you to do homework each day. Mark your selected Daily Homework Time for Monday, Tuesday, Wednesday, and Thursday in the spaces shown.
